PRESIDENT'S MESSAGE

PT. Amanah Putra Pratama is a form of determination to be able to advance the nation. We are trying to change the stigma in society about migrant workers who always have a negative connotation into a profession that is commendable and can also be proud of.

I am sure that there are many candidates who want to devote themselves to noble work in the placement country, and along with all that, we also continue to strive to provide the best job opportunities for foreign exchange fighters abroad. We continue to develop into a well-known company and can also become a benchmark in placements that are in accordance with procedures and according to administration in accordance with government regulations.
